The background image shows the interior of Chamberlin Hall, a large community venue. It features a wooden floor, a stage with blue curtains, and a ceiling with stage lights. The view is from a doorway, looking into the hall. A semi-transparent teal box is overlaid on the left side of the image, containing text and a play button icon.

INTRODUCTION

Opened in March 1996, Chamberlin Hall is a welcoming community venue at the heart of Bildeston village. It's an accessible, green venue. This large, modern facility offers the perfect versatile space for meetings, community groups, weddings, and events. The hall benefits from ample parking, Wi-Fi, a variety of room options, a fully equipped kitchen, a well-stocked bar, and step-free access. Beyond the hall itself, guests can enjoy the veranda overlooking the bowls green, a well-maintained children's play area, and attractive grounds that provide a relaxed setting for any occasion.

OUR SPACES

MAIN HALL

The Main Hall is a spacious, versatile venue with a wooden sprung floor and high ceilings, making it ideal for both social and active events. With room for up to 200 people standing, 150 seated theatre-style, or 100 for dining, it's a fantastic choice for weddings, conferences, music or comedy nights, dramatic performances, and private celebrations.

The hall's size and layout also make it perfectly suited to indoor sports, fitness classes, and children's parties – it can even accommodate a bouncy castle.

The hall features a raised stage with backstage area, complete with full lighting and sound system, making it perfectly equipped for entertainment and presentations.

A fully stocked bar is also available to hire, and our dinner crockery service for 100 can be provided on request. With its warm atmosphere and flexible layout options, the Main Hall offers a true blank canvas for your event.

SIDE HALL (MEETING ROOM)

The Side Room provides a more intimate and adaptable space, comfortably seating 30–40 people. While it's perfect for team meetings, workshops, or small group training sessions, it also lends itself well to activities such as yoga, art and craft groups, or smaller fitness classes. The space has also proved popular as a studio photography venue thanks to its natural layout and privacy. Projection equipment can be arranged in advance if required, making it practical for both professional and community use.

The Side Room and Main Hall can be booked together to provide additional space or a 'breakout' area.
